3	2	1	4
4	1	2	3

Create two of your own Sudoku puzzles. Add in as many numbers as you want. Rate your puzzle easy, medium, or hard. Have someone try to solve them.

Graders, Check for completion. Use your best judgment. Students should rate the difficulty level.

**Have someone create two sudoku puzzles for you!
Have them rate the puzzles easy, medium, or hard.
Try to solve the puzzles. Did you agree with their
rating?**

**Graders, Check for
completion. Use your
best judgment. Puzzles
should be rated with a
difficulty level and an
agreement/
disagreement.**
